## Sandy Bay Holistic Veterinary Centre

### COVID 19 Update @ 01.07.2020

#### Moving Forward - COVID-Ready business

The staged approach to the lifting of restrictions has been in place for several weeks: [Plan to Rebuild a Stronger Tasmania](#) . The changes are designed to guide us back in a way that will continue to reduce the risk to the community of COVID-19 are to be gradual and based on Public Health advice.

We have a COVID Safety Plan which has been prepared on the basis of the guidelines provided by Work Safe Tasmania. This document is kept on file at the clinic and available to any client who requests a copy.

We are continuing to adhere to a number of protocols to ensure the safety and well-being of all our clients, animals and staff:

- ONE person only is in the waiting room at a time.
- Use the hand sanitizer provided on entry into the clinic, post consult and on departing the clinic
- Sign the register (time, name, signature and contact phone number)
- Be mindful of the 1.5 meters distancing rule
- Card payments only (unless unavoidable)

If you feel in anyway unwell (cough, sore throat, fever, runny nose) you must NOT come to the clinic.

In addition to these measures and in accordance to standard veterinary practice hygiene protocols, our staff are adhering to strict hygiene and disinfection of clinic surfaces (door handles, counters, Eftpos machines etc) in conjunction with regular hand washing.

#### Phone consults and Home visits

If you are a person at high risk, wish to continue practicing self-isolation and don't have someone who can bring your pet to the clinic, Dr Boersma is happy to conduct a phone consult or home visit.

#### Opening Hours

Wednesday 8.30am – 8.00pm. All other days: Monday – Friday 8.30am – 6.00pm & Saturdays 09.00 - 12.00

We thank you for your continued support, loyalty and trust in Sandy Bay Holistic Veterinary Centre.

Dr. David Boersma
