11 Gregory Street, Sandy Bay TAS 7005

Ph: 03 6224 0855 Email: sbhvcnurses@inet.net.au

ABN 14 830 347 649

COVID-19 Update @ 01.05.2021

In an effort to ensure the safety of our staff, clients and animals we need to keep up the safety measures.

If you feel in anyway unwell (cough, sore throat, fever, runny nose) **DO NOT** come to the clinic.

Before entry to the clinic, please:

1. Sign in using the [CHECK IN TAS App](#) or alternatively, sign the register (time, name, signature and contact phone number)
2. Use the hand sanitiser provided
3. Be mindful of social distancing & respect the people/animal in reception area rules

Record keeping while not mandatory, any records keeping track on the flow of people into the clinic will assist public health authorities should there be a positive case identified.

If you check in using the [CHECK IN TAS App](#), the information recorded is automatically stored with the Department of Health for rapid response contact tracing, if required, and automatically deleted after 28 days.

Phone consults and Home visits

If you are a person at high risk, wish to continue practicing self-isolation and/or don't have someone who can bring your pet to the clinic, Dr Boersma is happy to conduct a phone consult or home visit.

Opening Hours

Wednesday 8.30am – 8.00pm. All other days: 8.30am – 6.00pm & Saturdays 09.00 - 12.00pm

We have a **COVID Safety Plan** which has been prepared on the basis of the guidelines provided by Work Safe Tasmania. This document is kept on file at the clinic and available to any client who requests a copy.

We thank you for your continued support, loyalty and trust in Sandy Bay Holistic Veterinary Centre.

Dr. David Boersma
