Public Health Emergency Declaration under the *Public Health Act 1997* until 30 June 2022.

The Director of Public Health, Dr Mark Veitch has determined that the public health threat posed by COVID-19 will soon be manageable with workplace health and safety practices, cases and contacts managed as are other notifiable communicable diseases using non-emergency powers of the *Public Health Act 1997*, and community practice of COVID-safe behaviours.

**If you have COVID 19, have been instructed to quarantine
or have flu-like symptoms* **PLEASE DO NOT** enter the clinic.**

**(fever, cough, sore throat, shortness of breath, headache)*

Before entry to the clinic:

1. Use the hand sanitiser provided
2. Mask wearing is recommended
3. Be mindful of social distancing

Phone consults and Home visits

If you are a person at high risk, wish to continue practicing self-isolation and/or don't have someone who can bring your pet to the clinic, Dr Boersma is happy to conduct a phone consult or home visit.

Opening Hours

Wednesday: 8.30am – 7.00pm.

All other days: 8.30am – 6.00pm & Saturdays 09.00 - 12.00pm

We have a **Case And Outbreak Management Plan** which has been prepared in accordance to the guidelines provided by the **Tasmanian Government – Living in a COVID 19 Vaccinated Community** outlining how to respond should a visitor/staff member be identified as a **close contact of a COVID 19 positive case or test positive for COVID 19.**
